NATA PREPARATION: 30 DAY CHALLENGE

Day	PCM	Drawing	
1		Free hand basics : line work, blind contours	
2		shading techniques, basic shapes and forms	General Knowledge
3	Calculus : Integration	revision and practice assignments	solving quizzes
4	Calculus : Differentiation	2 Dimensional Composition : geometrical forms	solving quizzes
5	revision	free forms, figure /ground, layers	
6	Statistics and Probability	revision and practice assignments	Buildings and architects
7	Permutation and combination	Colour Theory and Colour Schemes	solving quizzes
8	revision	coloring 2 dimensional compositions	solving quizzes
9	Coordinate geometry	revision and practice assignments	
10	3-Dimensional Co-ordinate geometry	Human Figures : Basic line work and studies	Analytical reasoning
11	revision	Humans in action with detailing and shading	solving quizzes
12	Algebra	revision and practice assignments	solving quizzes
13	Matrices	One Point Perspectives : Basic forms	
14	revision	objects, rooms	Mathematical Reasoning
15	Trigonometry	Two point and Three point Perspectives : Basic forms	solving quizzes
16	Logarithms	objects, rooms, streets	solving quizzes
17	revision	revision and practice assignments	
18	Electronics	3 Dimensional Composition : Basic forms	2D to 3D and 3D to 2D
19	Optics	Composition of objects with shades and shadows	solving quizzes
20	revision	revision and practice assignments	solving quizzes
21	Electricity	Memory Drawing : Thumbnail sketches, rough studies	
22	Basic concepts of chemistry	foreground, subject and background	Construction & Materials
23	revision	human figures in memory drawing, perspectives	solving quizzes
24	Chemical Thermodynamics & Organic Chemistry	Shading and shadows, detailing	solving quizzes
25	revision	revision and practice assignments	
26	complete revision	complete revision	complete revision
27	Mock test 1	Mock test 1	Mock test 1
28	Mock test 2	Mock test 2	Mock test 2
29	Mock test 3	Mock test 3	Mock test 3
30	Mock test 4	Mock test 4	Mock test 4
